- If we use photographs of individual children, we will not use the full name of that child in the accompanying text or photo caption.
- If we include the full name of a pupil in the text, we will not use a photograph of that child to accompany the article.
- We may use group or class photographs or footage with very general labels, such as "a dance lesson".
- We may ask for exceptions to be made to the above conditions. Express permission will be sought from you in these cases.
- All pictures will be securely stored by Stagetime.
